

Memorandum

Date: September 1, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Agenda Item No. 8(F)(6)

Subject: Recommendation for Approval of a Legacy Purchase under Contract No. RFP434A-3, Performance Management System

Recommendation

It is recommended that the Board of County Commissioners (Board) approve this request for a legacy purchase under *Contract No. RFP434A-3, Performance Management System*, for the Information Technology Department. This purchase is for five (5) years and \$1,399,000 in expenditure authority. The Information Technology Department manages this contract on behalf of the Office of Management and Budget. The contract was competitively awarded in February 2005 to implement an Active Strategy Enterprise Performance Management System (ASE) as a tool for departmental strategic, budget and performance planning. ASE has been customized to facilitate departmental compliance with the County's Governing for Results Ordinance (Ordinance No. 05-136), which established requirements and guidelines for managerial accountability, performance measurement and reporting. The requested allocation will be used to purchase updated software licenses as well as maintenance, support, and training services during the contract term.

The Advisory Board Company is the sole proprietor and developer of ASE and, as such, no other vendor is capable of delivering the required maintenance and support services. Accordingly, pursuant to Section 2-8.1(b)(2) of the County Code, it is in the County's best interest to approve this legacy purchase. Upon full implementation of the County's Enterprise Resource Planning solution, the process of measuring and monitoring performance and tracking strategic goals will be fully integrated within the Enterprise Resource Planning solution, ultimately replacing the ASE legacy application.
